7. The cadre units mentioned were scheduled to be converted into regular units, in accordance with available personnel and material. The initial organization of further air corps and air divisions was scheduled in the event of war.

25X1

Comment:

The basic organization of the Czechoslovakian Air Force, as described in this report, was known. The most essential item of information is the confirmation of the existence of the 30th Air Regt in PRAGUE, which was first reported in June 1949.(z)

- * It is unlikely that there is an independent General Staff of the Czechoslovakian Air Force. The term "General Staff" of the Air Force" designates the Air Force Department within the General Staff of the Army. Only five departments have been known to exist within this General Staff, the existence of a VI Department being reported for the first time.

** mentioned in a newspaper report of July 1947. Assignment reported for the first time.

*** Probably the 10th Ftr Regt.

Ø Col HLADO had been believed to be CO of the 2d Air Div. Lt Col KOLEMBUS was formerly CO of the 2d Air Regt, in PILSEN.

ØØ The 42d Air Rcn Regt has been believed to be in PILSEN.

ØØØ Assignment of the 25th Air Regt to the 2d Air Div was reported for the first time. It was previously assumed that this regiment and the 24th Air Regt were assigned to the 6th Air Div. It remains to be clarified whether the 6th Air Div and the 24th Air Regt have been deactivated.

- (X) g. The officers mentioned as members of the III and IV Air Corps are not listed in our files. The following personnel of the IV Air Corps were known:

Staff Capt SAMAS, formerly Deputy CO of the 2d Ftr Regt
Lt Col GALBAY (from press reports)
1st Lt BOMELISA, mentioned as a squadron leader in the 30th Air Regt in a previous report. (zz)
